# Detail...

- Two site solution, AQL Salem Curch and Sleek Networks Angel Court selected.
- Commercially unviable to operate distributed switch fabric today :-), preference displayed by initial participants for AQL

# Result

- Single site facility at AQL Salem Church opening **October 2010**
- First three months, **plug in and peer**
- THEN, become member of **NFP mutual** organisation (steer organisation - vote, member perks)  
**OR** stay connected for **free**, but no vote, say, or perks

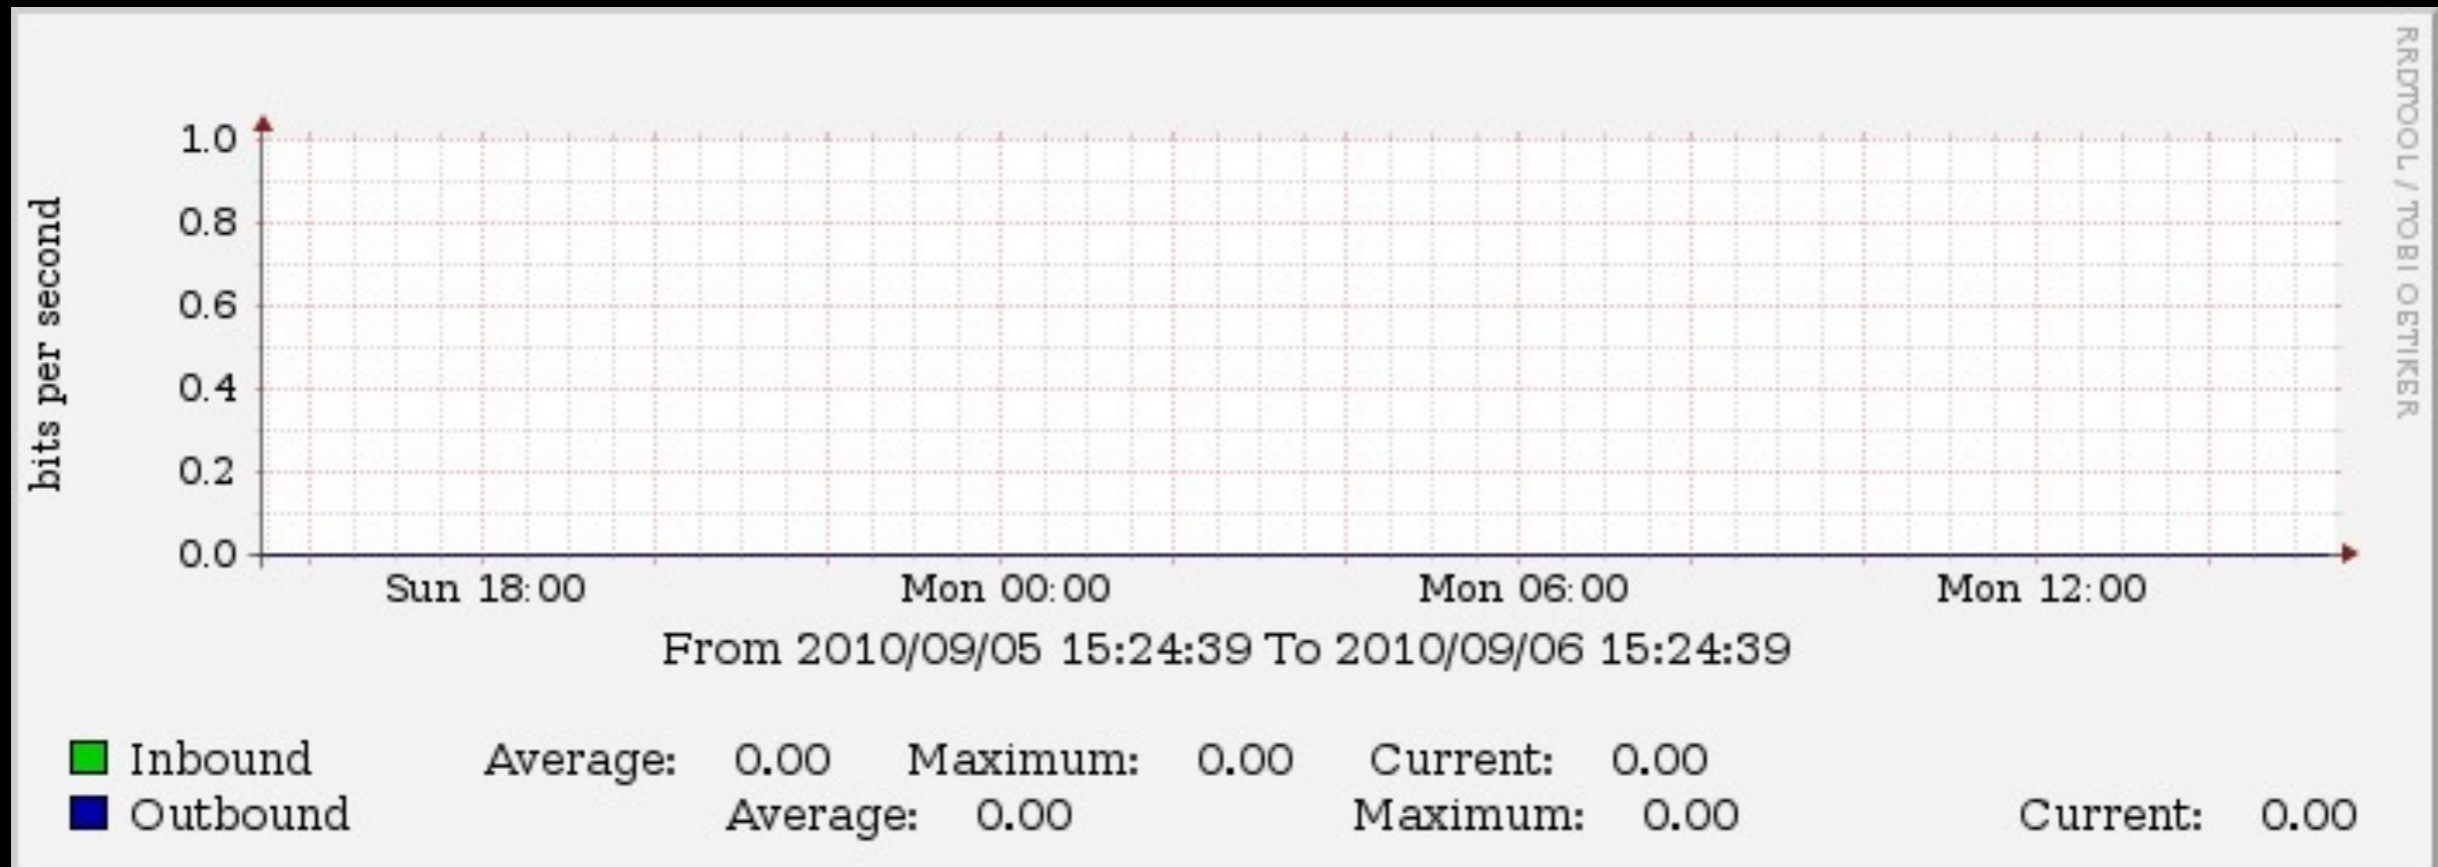

# Future

- Additional sites around Leeds
- Recruit peers
- Promote region
- Improve commercial viability

# Name

- The big decision this week !
- Front runners:
  - IXLeds (IXL), LSIX, CLIX, YINX, WRX

# Mandatory IXP traffic graph
