Route servers ftw!!!

Massive content networks connecting regularly, instant benefit

Obligatory traffic stats

Traffic doubling every year to 18 months or so.

We also welcomed Rob Lister

What was the enable

The background of the slide is a close-up, slightly blurred photograph of several blue static-sensitive bags. Each bag has an orange label with a black triangle warning symbol and the text "ATTENTION! STATIC SENSITIVE" and "ATTENTION! STATISCH SENSITIV". The bags are piled together, creating a textured, layered effect.
