Really Regional?

...the challenges of a non-London centred network

Mike Hughes, Moderator

Regional?

Regional?

**Where is
Granada?**

NOT in
Manchester

In
Manchester

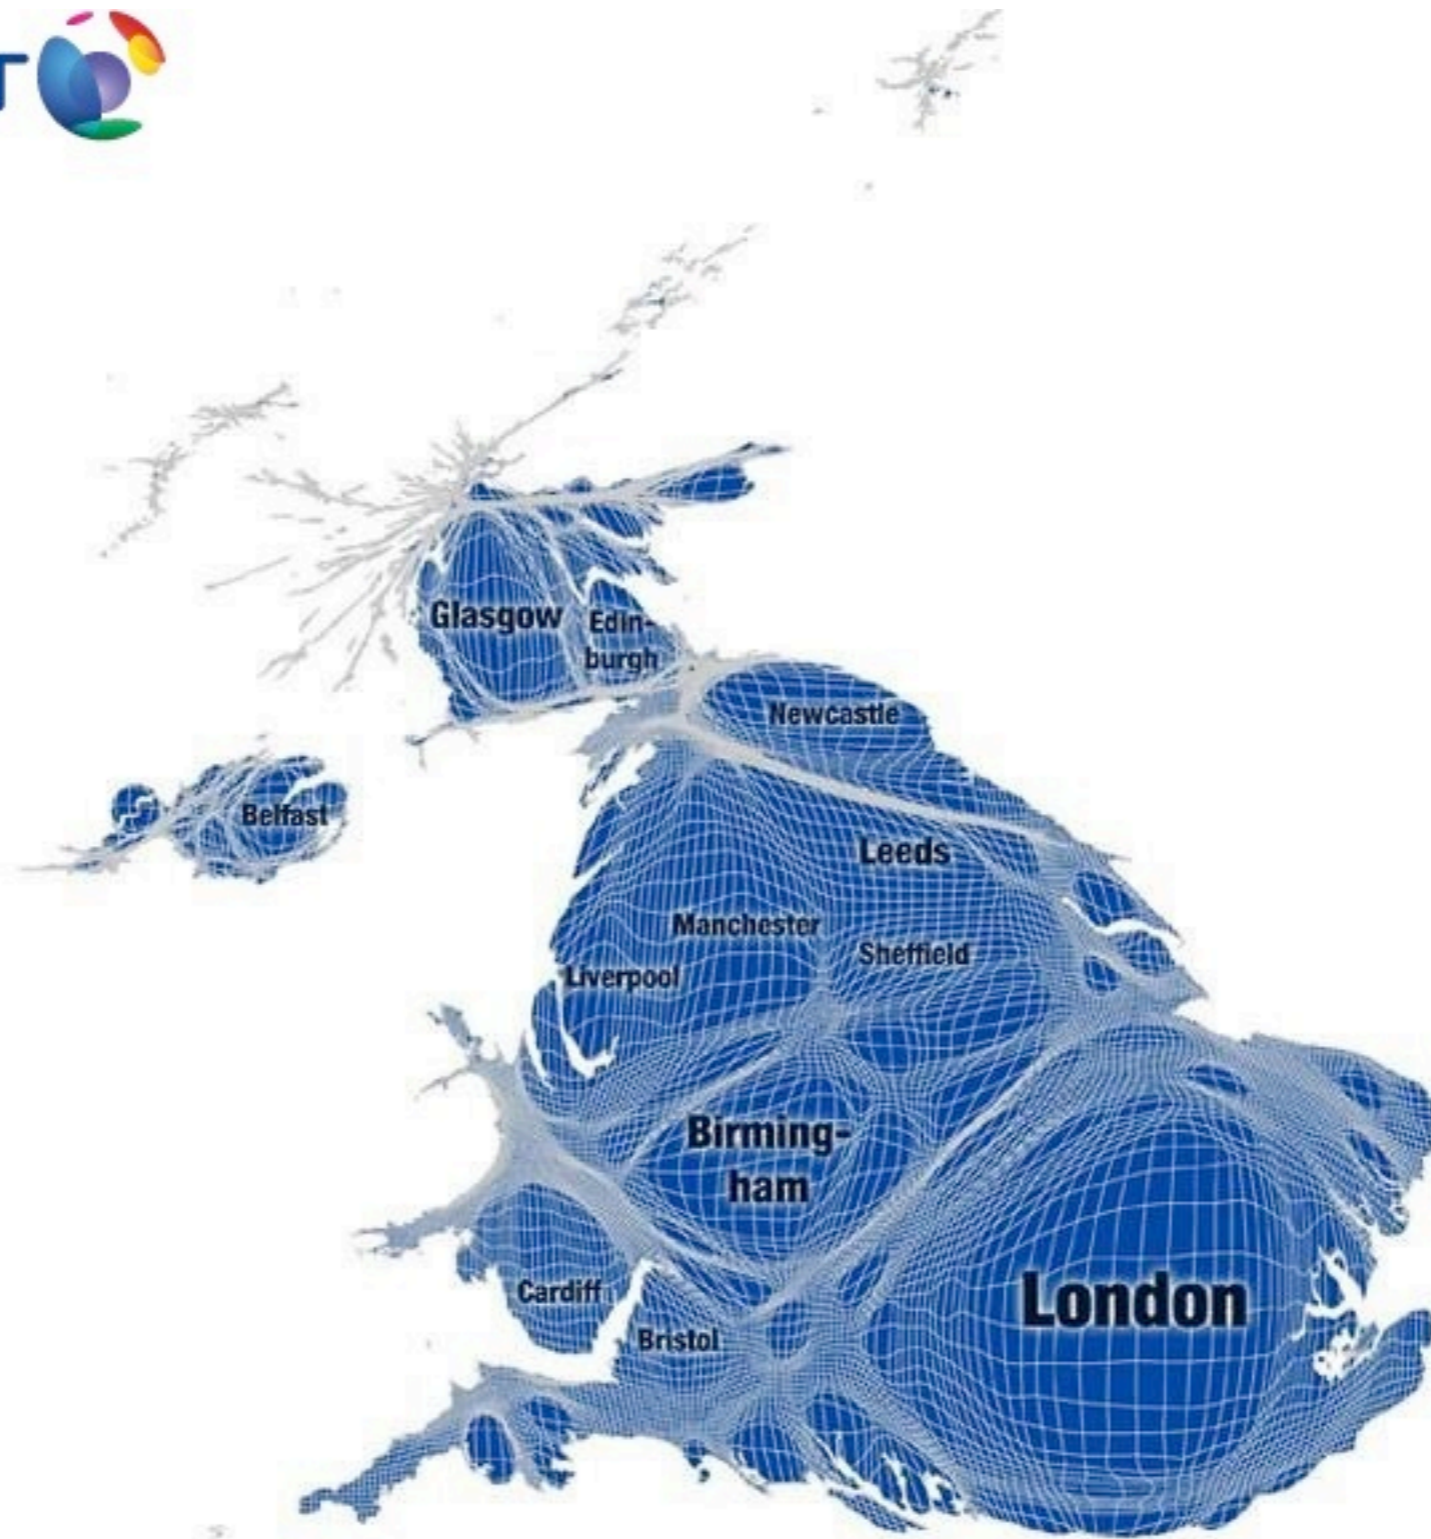

Ask someone from the North West, they would say Granada was in Manchester.

Panel Members

- Mike Kelly - Datacentred
- Neil McRae - BT
- David Reader - Zen Internet
- Peter Taphouse - Bytemark

Scene Setting

- Increase in regional interconnect?
- 70:2 London to Manchester in terms of DC space
- Costs?
- Access to bandwidth?

Traffic follows population...
