

From In Room To Hybrid

A journey of change

Pre-Brexit and Pre-Pandemic

On site specialist supplier of Interpretation and microphone discussion systems

Pre-Brexit and Pre-Pandemic

Everything transported and built on site, all participants on site

Pre-Brexit and Pre-Pandemic

Not a camera in sight!

Post-Brexit and Pre-Pandemic

Started to develop remote interpretation through dedicated studio to answer venue pressures, ecology concerns and possible travel restrictions

The Scottish Parliament

Pandemic start

Initial shut down saw 90% of business disappear over night.
Scottish Parliament asked us to use the remote studio for BSL.

Pandemic June 2020

We start to use Zoom (Like every one else)... and providing interpretation to Zoom calls from a 2nd studio built in what was the warehouse...

Pandemic July 2020

First part hybrid event.

Pandemic September 2020

We get better at Zoom interpretation.

Pandemic September 2020

We start to buy cameras and integrating with teams.

Pandemic November 2020

We start to host events in our studio and offer better production.

Pandemic May 2021

We start use to vMix for better production and camera control.

Pandemic November 2022

We start to use remote interpretation to hybrid events.

Pandemic November 2022

We start to use remote interpretation to hybrid events.

Pandemic November 2022

We integrate camera and microphone control.

Post-Pandemic

Specialist supplier of remote Interpretation and hybrid meetings.
