Outgoing founder Board Members

Dr Willie Black

Steve Dyer

- Steve and Willie have been with UKNOF/UKIF since its inception in 2005, and without them it would likely not exist
- Please join me in offering our significant thanks for all they have done for UKNOF and wider UK Internet community in their many decades of service

Advisory Committee: Wind-Up

- **<https://uknof.uk/ac>**
- Have provided oversight and community accountability to UKNOF, without the overhead of more complex governance structures
 - grew out of previous “Funding Council”
- Their support, feedback and wisdom over the years have proved invaluable, and have been much appreciated
- UKNOF has in this time evolved its own distinct community and governance structures, and the need for the AC has diminished
